Inspiration: Modern Appeal of Reworked Timber

The Aesthetic: The Alliestra collection draws its inspiration from the rich texture of raw wood timber, creating an understated architectural texture for modern interior spaces. Designed by Patty Madden, the design is defined by subtle, tonal grain lines and complex organic fibers that run across a wall, creating a biophilic geometry. Alliestra's textures feature soft, monochromatic linear striations with a tactile, embossed finish that gently softens a room's proportions, evoking natural elements like weathered bark and handcrafted milled planks while adding quiet dimension and depth.

Product Specifications:

Install: Non Reversible / Straight Match
The above item also meets the following performance and fire hazards classifications.

Performance Specifications

Total Weight: 20 oz. per linear yard
Width: 1.32m-1.37m / 52"-54"
Fabric: Non-woven
Tensile strength: meets ASTM D 4034
Tear Strength: meets ASTM D 2261
Seam Slippage: meets ASTM D4034
VOC: meets CA 01350

5 year warranty against manufacturers defects.

Mildew Resistance (anti-microbial)

This product exceeds G.S.A. Federal Specification CCC-W-408D for Type II materials using test procedures detailed in Federal Specifications CCC-T-191-B. Vinyl wallcoverings contain bactericides and mildew inhibitors to discourage the growth of mold and mildew under normal conditions.

Fire Hazard Classification (ASTM E-84)

Flame spread: ASTM E84
Flame Spread: 25
Smoke Developed: 45
