Inspiration: Broken glass and intricate geometry

The Aesthetic: Imperfect fragments - intricate patterns

An elaborate pattern of randomness and intricate geometry, Crunch celebrates the imperfect. Its broken glass texture juxtaposes shatter and creation.

Design and Dimension

Sharp mosaic fragments form a visually complex wallscape of intricate, unpredictable patterns, captured in the random match of this Type II wallcovering.

The softly fissured emboss finishes a textile-like ground that extends the glass metaphor. Its palette of 18 refractive mineral hues adds depth and dimension to interior walls.

Product Specifications

- Type II wallcovering
- Weight: 20 oz/yard
- Width: 52/54 inches
- Backing: Non-woven
- Water based ink
- CA 01350 Compliant
- Non-phthalate
- PFAs free
- Hanging: Reverse hang
- Match: Random match
- Packaging: 30-yard rolls
- Tensile/Tear - ASTM D 4934/ASTM D 2261
- Cal Prop 65 compliant
- HPD available

★ Cutting fee applies to orders under 30 yards.
