Inspiration: The power of kinetic geometry

The Aesthetic: Infinite shapes, eternal patterns

The distinction of Magnus is found in its geometric fractal emboss that creates distinct interior spaces replete with richly articulated intersections and layered planes, A high-definition emboss, the Magnus composition captures and refracts light morphing wall surfaces into dynamic, “sculptural” landscapes that deliver a commanding yet balanced performance across expansive interior spaces.

Commercial Performance: Strength & artistry

Magnus pairs its complex aesthetic with the industrial performance required for high-traffic environments. Intricate depth: a precision-engineered emboss that provides a deep, tactile wall experience.. Offered in a curated selection of colours—from luminous metallics that accentuate the pattern’s "cuts" to matte neutrals that ground the complex design, Magnus marks the spot!

- Type II 20 oz. high performance wallcovering
- Water-based ink
- Meets CA 01350
- 52-54” width
- Non-reverse Straight Hang
- Vertical Repeat 41.5”
- Class A fire-rated
- Osnaburg backing
- Tensile/Tear - ASTMD 4034/ASTMD 2261
- Scrubbable, bleach-cleanable surface
- 5 yr. warranty against manufacturer defects
