The Aesthetic: Timeless character of natural linen

Nagano captures the authentic, "noble" soul & tactile imperfections of natural linen. Intricately textured Nagano takes its cue from the effortless, lived-in elegance of linen & features organic "irregularities" along a horizontal slub for woven surface appeal. Gently tipped to reveal a soft matte lustre, Nagano is available in a sun-bleached palette of 18 colourways. Pigmented hues span burnt sienna, yellow ochre, bleached ecru & charcoal to indigo, while Venetian red and Potter's pink round out the artisanal appeal. Designers will appreciate the ease with which these designs can be instantly integrated into their design schemata anchoring their interior spaces with a sense of quiet luxury & organic warmth.
