Inspiration: Pleated Egyptian linens

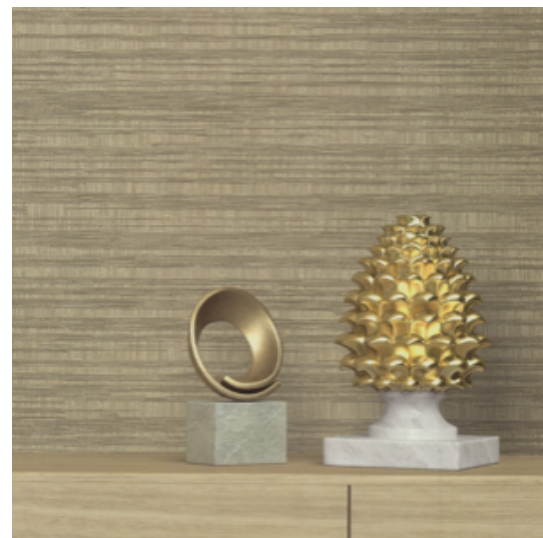

The Aesthetic: Ancient weave - modern walls

Inspired by the pleated linen of ancient Egypt, Orvieto blends historic textile artistry with modern gravure tooling.

Design and Dimension

Weaving tension, hand pressing and natural stiffening agents once shaped the linen. Orvieto captures these fiber mechanics in a finely carved emboss: irregular horizontal weft fibers cross finer, tightly woven vertical warp threads.

Rich tips and valleys create layers of light, depth and movement. Available in organic compound pigments, this sophisticated, versatile wallcovering brings the narrative of each thread, weave and finish to a sensory wall experience.

Product Specifications

- Weight: 20 oz/yard
- Width: 52/54 inches
- Backing: Non-woven
- Water based ink
- CA 01350 Compliant
- Hanging: Reverse hang
- Match: Random match
- Packaging: 30-yard rolls
- Tensile/Tear - ASTM D 4934/ASTM D 2261

★ Cutting fee applies to orders under 30 yards.
