Inspiration: Serenity of artisanal woodworking

The Aesthetic: Biophilic simplicity - timeless resonance

Sakemi's horizontal striping effortlessly bridges traditional Japanese minimalism & modern commercial versatility. Inspired by the refined restraint of Eastern aesthetics, the pattern utilizes a distinctive pairing of contrasting textures to form intentional horizontal paneling. This thoughtful composition evokes the deliberate artistry of artisanal woodworking craftsmanship, bringing depth and a sense of timeless resonance to commercial interiors. Sakemi - a serene, sophisticated foundation that effortlessly fits any luxury commercial space.

Commercial Performance: Artistry and strength

Sakemi provides a fascinating tactile study of structured yet charming wood irregularities paired with a background of textile texture as precision embossing that adds durability to this engaging horizontal stripe.
